EN

FROM TUNISIA, WITH CHARACTER.

Rooted in Tunisia. Made for your table.

ZEYOIL brings Tunisian olive oils to buyers across Southeast Asia. Our collection spans extra virgin and organic selections, everyday virgin olive oil, and a range of culinary flavours.

The extra virgin collection pairs cold extraction with careful storage. Our production partner describes nitrogen-protected tanks used to help preserve the oil's character.

01 / THE GLASS COLLECTION

Extra virgin. Distinctly Tunisian.

Dark glass, illustrated cream labels and a characterful Tunisian oil.

A fresh, fruity profile led by green olive notes. A versatile choice for table service, dressings and finishing dishes.

VARIETIES	EXTRACTION	ACIDITY
Chemlali / Chetoui	Cold extraction	Max. 0.5%

Glass formats: 250 ml, 500 ml, 750 ml and 1 L. Marasca presentation shown; Dorica options for 250-750 ml on request.

02 / ORGANIC SELECTION

Organic extra virgin.

A Chemlali selection, offered within the organic range of our production partner.

The supplier describes a fruity profile with fresh almond and freshly cut grass notes. A natural fit for specialist retail and thoughtful gifting.

VARIETY	EXTRACTION	ACIDITY
Chemlali	Cold extraction	Max. 0.5%

Glass formats: 250 ml, 500 ml, 750 ml and 1 L. Organic documentation and certification scope to be confirmed for the selected reference.

03 / THE METAL COLLECTION

A bold presence. A practical format.

Deep navy tins with gold Tunisian illustrations, from 1 L to 5 L.

An opaque metal container shields the oil from light. Three formats serve home kitchens, specialist retail and professional foodservice.

CATEGORY	FORMATS	PRESENTATION
Extra virgin olive oil	1 L / 3 L / 5 L	Navy & gold metal

Product specifications and final packaging are confirmed with the quotation. Store away from heat and direct sunlight.

04 / PET & SQUEEZE

Made for everyday service.

Practical formats with the same distinctive ZEYOIL identity.

PET bottles offer convenient handling across household and foodservice sizes. A 500 ml squeeze format adds a practical option for controlled dispensing.

CATEGORY	PET FORMATS	SQUEEZE
Extra virgin olive oil	1 L / 3 L / 5 L	500 ml

Packaging illustrations show the proposed ZEYOIL presentation. Bottle, handle and closure specifications are confirmed before order.

05 / VIRGIN OLIVE OIL

An everyday kitchen essential.

A distinct virgin olive oil range for daily culinary use.

Mechanically extracted olive oil with the flavour and aroma of olives. Offered in glass and practical PET formats for a broad range of kitchen needs.

CATEGORY	ACIDITY	PACKAGING
Virgin olive oil	Max. 1%	Glass & PET

Glass: 250 ml, 500 ml, 750 ml and 1 L. PET: 1 L, 3 L and 5 L. This range is virgin olive oil, a separate category from extra virgin.

06 / THE FLAVOUR COLLECTION

Five flavours. More possibilities.

Tunisian extra virgin olive oil with a choice of culinary flavours.

250 ml / THE GLASS COLLECTION

LEMON	For salads and seafood.
BASIL	For tomatoes and pasta.
GARLIC	For vegetables and marinades.
ROSEMARY	For potatoes and roasted dishes.
CHILLI	For pizza and a finishing touch of heat.

Serving suggestions. Marasca and Dorica 250 ml options. Bottle selection, ingredient composition and flavouring method are confirmed in the product specification.

07 / GIFTING

A taste of Tunisia, beautifully given.

Gift presentation concepts inspired by our production partner's packaging options.

A three-bottle flavour collection or an individual presentation sleeve brings the ZEYOIL identity into gifting, hospitality and specialist retail.
